IBMP Nanopore Day

| | | |
|---------------|---|--|
| 09:00 – 09:30 | The AEG platform , the Nanopore adventure | A. Alioua |
| 09:30 – 10:00 | Nanopore sequencing technology review, bioinformatics and applications | D. Pflieger |
| 10:00 – 10:30 | tRNA sequencing, a nanopore approach. | L. Drouard |
| 10h30 – 10:45 | Coffee break | |
| 10h45 – 11:15 | Oxford Nanopore detection of DNA methylation reveals Pol IV gene regulation and growth control in Brachypodium. | C. Mattéoli T. Blévins |
| 11:15 – 12:00 | Nanopore-based sequencing approaches to analyse mRNA tails | Q. Simonnot P. Giraudo J. Cartalas H. Zuber |

Thursday February 9, 2023
9:00 am – 12:00 am
Léon Hirth Conference room
